P/21/1969/FUL – Minafon, Llangadfan – After a lengthy discussion, the majority voted to not support this application for various reasons including increase of traffic on an already busy minor road, the effect on neighbouring properties and the fact the application is contrary to Powys’ Local Development plan, which if approved would potentially set a precedent for other properties in the area.

The bus shelter in Foel had been blown over in the recent storm. Thank you to all Councillors who were involved in getting it back in place. There has been minor damage caused to the roof, the Council wondered if it was worth claiming on insurance or whether it can be replaced cheaper.
